

### Week 3 Reflection

1. How often do you say one thing and do another? If your heart is in the right place, does it matter if you act poorly? What does Jesus say about this?
2. Reread the story of the Syrophenician woman (Mark 7:25-30). What wisdom do you take away from this miracle? How can you apply it to your life?
3. Who do you say Jesus is? Take a sheet of paper or create a word cloud on your computer with all the words you use to describe Jesus. Hang it up near your desk, mirror, fridge, or another place where you will see it regularly, and use some of these different words in your prayers.
4. What do you think Moses, Elijah, and Jesus talked about? Put yourself in Peter's shoes (sandals!). Would you have offered to build a tent and stay on the mountain? Why couldn't they stay there?
